BUDGET COMMITTEE REPORT

As in past years, the Rindge Town Budget Committee has carri d on its deliberations in close contact with the Selectmen and Department Heads, By exercising its advisory role, the Committee has sought to affect the size and shape of the budget in its initial stages. As a result of this consultative approach we again find that we are in substantial, though not unanimous, agreement on the line budget as proposed by the Selectmen. It is the Committee's intent to offer amendments to the proposed budget in the following areas:

1.) The Committee recommends a $ 1,000 reduction in the Town Hall and Buildings account. Last year's appropriation was underspent by over $ 3,000. Expenses in this account have been decreasing and we would hope that energy economies proposed for town buildings will be reflected in part in this year's expenses. The reduction proposed for this year will still allow for some increases in cost, and for some proposed changes in the Town Office basement.

2.) The Committee will reserve judgement on the $ 8,300 request for Street Lighting. Last year the Town voted to authorize a review and modification of the StreetLighting program by the Selectmen. Costs for street lighting skyrocketed in 1978, to $ 7,993. The Selectmen have indicated that their plan will reduce the total number of street lights by more than 50%. However, since they are not yet in a position to put an accurate figure on the new plan, we have postponed making a recommendation and requested more complete information prior to Town Meeting.

3.) As it has for several years, the Budget Committee supports the improvement of police services to the Town including the hiring of a full-time Chief. The Selectmen have indicated to us that they support this concept. However, they have further proposed that the Chief rely entirely on part-time police officers, salaried at an hourly wage. It is the feeling of the majority of the Committee that we should provide the Chief with a qualified well-trained, full-time backup officer, as well as funding for special officers. While Rindge has experienced no crime wave in recent years, demand for police services has risen steadily and the advantages of on-duty status and a professional investigative capability far outweigh the increased costs. Our proposal, therefore, includes funding for a full-time Chief, a full-time second officer and funding for 40 hours of weekly part-time police staff. We are recommending to the Town a budget of $ 52,000.00. It is assumed that every effort will be made by Town Officials to seek Federal and State subsidies in support of this budget.

4.) With regard to the Recreation Committee, we support the concept of obtaining qualified leadership for our recreation program. In discussions with the members of the Recreation Committee, the Selectmen, and citizens of the Town, it is apparent that other options should be considered, in addition to the possibility of a part-time recreation director. Accordingly, we will recommend a change in the wording of Article 10 to allow the alternative use of these funds for recreational programming for the citizens of the Town.

5.) The Committee is essentially in agreement with the remaining special articles, with the exception of Articles 29 and 30 to which we are opposed, and takes no position on Articles 24 and 25.

For the second year the Town has realized a significant surplus. This is due in part to careful and responsible management by Town officers and Department Heads who under-spent available budgets in 1978 by some $ 12,000. However, the remainder of the surplus, some $ 52,000. results largely from the under-estimation of revenues to the Town in both 1977 and 1978. This money was in effect unnecessarily raised from taxes paid in those years. We wish, therefore, to stress the need to make more accurate forecasts of Revenues to the Town for 1979, particularly in the area of motor vehicle permits and resident taxes, in order to avoid unnecessary inflation of the tax rate.

In closing may we state that we are pleased with the way in which our Town has been fiscally managed in the past year. We believe the budget proposed for 1979-with those alterations we have suggested- represents the best possible budget for the Town-one which will maintain essential services and improve those most in need of expansion.

Respectfully submitted,

BUDGET COMMITTEE

ANNUAL REPORT

REPORT OF THE ROAD AGENT

1978

This year the Highway Department completed 3,900 feet of reconstruction of the Thomas Road and started the reconstruction of the Kimball Road, using both Highway Subsidy Fund and Town Road Aid accounts, and also a small portion of the summer maintenance account, costing approximately $ 9.00 per foot.

The Summer account was used on maintenance of all Class V Highways throughout Rindge which included ditch cleaning, grading, tree and brush removal, patching (which is a never ending battle on roads which do not have a good gravel base). New culverts were installed on the following roads: 38' on Mountain Road, 80' on Kimball Road, 98' on Thomas Road, 80' on Hubbard Hill Road, 40' on Paradise Island Road, 30' on Todd Hill Road, 90' on College Road, 80' used concrete at the Recreation Area,80' on Squantum Road, 290' of underdrain on Woodbound Road, and 325' of underdrain on the Lord Brook Road. We also graveled Wood Avenue, Goddard Road and Mountain Road.

Winter maintenance was expended mainly on the plowing and treating of approximately 55 miles of Class V Highways. To give the people of Rindge an idea of what it costs for a storm-the snow storm which started on February 6, 1978 cost $ 3,113.51 paying for payroll, salt, sand,hired equipment and if we were to put an hourly rate on Town owned equipment it would have brought the total to $ 6,223.51 to remove the 28 inches of snow that had fallen.

The Oil & Solvay account was expended as follows: Roads that received a mix ere: 4,000' on College Road, 3,800' on Old Cathedral Road, 300' on Wellington Road, 400' on Paradise Island Road, 600' on Hubbard Hill Road, 1,400' on School Street, 400' on Todd Hill Road, 700' on Middle Winchendon Road,500' on Payson Hill Road, 1,200' on Danforth Road and 300' on Swan Point Road. Roads that received a seal coat were: Abel Road, College Road,School Street, Old Fitzgerald Road, Old Cathedral Road, Danforth Road, Hubbard Hill Road and Hughgill Road. The material that was mixed with the Pugg Mill was used for patching.

The cemetery account was expended mostly on mowing grass and reloaming and reseeding sunken graves in both the Church and Hillside areas. Parks & Playgrounds account was expended on mowing grass at the Town commons, Town Office and Library grounds, and the maintenaince of the Recreation Area on Wellington Road which had over 65 scheduled ballgames and many other events that were not scheduled through the Town Office.

The Dump account plus some Rvenue Sharing monies were expended on the Landfill contract with the Town of Jaffrey, French's Disposal Service, payroll and the site work for the new Disposal Area at the Town garage. I would like to thank all the townspeople and businesses that have cooperated in making the Disposal Area work. It has been inconvient for some,but it is just a temporary step until we can find a better and more economical method.

Respectfully submitted,
Peter J. Anderson,Road Agent

Board of Selectmen
Town of Rindge, New Hampshire

Gentlemen:

We have examined the financial statements of the Town of Rindge, New Hampshire for the year ended December 31, 1978. Our examination was made in accordance with generally accepted auditing standards, and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

We did not examine the financial statements for the year ended December 31, 1977 and, accordingly, a comparative balance sheet, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the accoumpanying financial statements present fairly the financial position of the Town of Rindge at December 31, 1978, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

INGALLS MEMORIAL LIBRARY
REPORT OF THE TRUSTEES 1978

In June Mrs. John (Elizabeth) Sampson, our Librarian for nine years retired. Mrs. Sampson had given the Trustees ample notice of her intentions so that we could interview and select her replacement with care. Mrs. Thomas (Eleanor) McMullen of Rindge was selected for the post. She and Mrs. Sampson worked together for a week or so and the transition was smooth. We are most grateful to Mrs. Sampson for her patient devotion to the task and for her innovations in the development of the Library. We welcome Mrs. McMullen as a dedicated and eager replacement.

Libraries and museums have become vulnerable to break-ins, burglaries and fires. The Trustees contracted to have a burglar and fire alarm installed. The Rindge Historical Society agreed to pay a portion of the cost involved. Initially the system merely triggered the siren. We thank our patient neighbors in Rindge Center who withstood the howl and passed the word of trouble. Now the system also ties with a monitoring service which calls for fire or police protection.

Books, magazines and newspapers have risen in cost to the point where your library and tax dollars may provide you access to things that you could not otherwise afford. We have joined the Nabanusit Cooperative of nearby libraries to take advantage of the discounts given them by publishers for mass buying. We subscribe to a variety of magazines and newspapers which are available to you. Our book acquisitions are based on best seller lists. There are records,games and puzzles for snowed in week-ends. Our reference library includes dictionaries of several languages, encyclopedias, travel and art and hobby books. Through our State Library affiliation we can get almost any book which is not on our shelves.

Come see us. If we don't have what you are looking for, we are open to suggestions.

INGALLS MEMORIAL LIBRARY
ANNUAL REPORT OF THE LIBRARIAN

While learning the ropes at the Library last July, it was most reassuring to have the gracious cooperation of Elizabeth Wellington Sampson, a lifelong resident of Rindge. Biz retired from Ingalls Memorial Library on July 1, 1978 after devoting nine years of librarianship to the town. We are happy that she did not forsake Rindge for the warmer climes, but will stay here and maintain her ties with the community. ACCOMPLISHMENTS OF STAFF: Eleanor H. McMullen, Chief Librarian spends a great part of her time answering questions. They show various points of view. A tally of requests reveals that Library patrons in this town seek materials that will help them realize their hopes, dreams and goals for the future. They want also to solve the problems of everyday life and to get information to allay their gripes and fears. The State of New Hampshire desires its libraries to serve as Information Centers, and to keep their bookshelves adequately supplied with leisure reading. Mrs. McMullen has enrolled in the courses at Keene in order to augment her previous library experience and so that Ingalls' accreditation will not lapse. Laura S. Green, 1st Assistant, displays a decided talent for locating books that people enjoy. She is responsible for placing book orders and preparing books for circulation. Mrs. Green has her accreditation by the N.H. State Library. Margaret S. Brummer is 2nd Assistant and serves as cataloger. While not officially designated as such, she performs the role of Children's Librarian admirably, and encourages our youngsters to "stretch their minds". She expects to receive her certificate in Public Library Techniques in 1979. Annual Report from Children's Dept.: Starting in January 1978, we carried on the usual Story Hour Programs for all grades and held the final one on May 22nd. Mrs. Laura Hendrickson was the coordinator for the Rindge Woman's Club. During this time, we also had a CETA employee who periodically worked with the children on photography. The Summer Reading Program, called "Look to Our Mountain", promoted interest in and knowledge about Mt. Monadnock. We were pleased to have 42 children and several adults sign up. The project culminated on August 18 with a climb up the Mountain (under the leadership of Miss Jennifer Royce of Jaffrey, who is a skilled mountain climber, and Mrs. Marie Griffin of Rindge). A picnic (at the bottom) followed, at which time prizes, ribbons and certificates were awarded. In August, we were especially grateful to Mr. Charles Cohan (a summer resident) for his instructions in Chess and wish to thank him publically. This school year Story Hour got off to a new format under the aegis of Mrs. Paula LaPointe of the Rindge Woman's Club. After preliminary discussions, it was decided to have only the first three grades attend the programs. Each month there is a different Chairman and theme. This relieves any one person of the burden of a whole year's time of scheduling readers. In November, the Library sponsored a contest during National Children's Book Week, involving the elementary school children to see which class could best promote the use of books from the Library. Mrs. Deschene's 4th grade came off with the honors. I wish to say a personal thanks to everyone who has helped with our children in any way. Total Story Hours 24. Total attendance (recognizing that only the first three grades attend) 448. Summer Reading participants 42. M Brummer. Our custodian, Ralph W. Green, does a conscientious job of keeping the building and grounds in apple-pie order, and many favorable comments have been made. His Yankee wit lightens some grim situations, too. ACCOMPLISHMENTS OF VOLUNTEERS: Gail Smith, Treasurer, devotes considerable time to keeping the financial records. Also, her position as Teacher's Aide

has done much to encourage elementary school teachers to have their classes check out books during school hours. The development of the Library Apprentice Program was due to her encouragement. School children volunteer to help with the behind-the-scenes work, and this gives them an insight into what it means to be a career Librarian. Clara Fraser, Chairman of the volunteer staff, agreed to take this responsibility over when Elsie Chase resigned because of her move to Concord last March. These indispensible people form a reservoir from which subs can be drawn. Betty Todd, President of the Historical Society, is dependable about giving tours of the Museum to groups. These benefit both the Society and the Library in increased membership. Friends of the Library, while Marabeth Farmer was president, gave us some audio visual equipment, a Sharpe cassette player, a Bell & Howell tape recorder, 6 headphones and a Knowledge Master film strip viewer. These are used constantly by the children. Money from their Flea Market book sale was used for books for Adults and Young People. Dawn Kolodka was elected Friends President and will design projects for 1979. The Garden Group Members decked out our building in the Holiday mood this christmas, as has long been their tradition. New craftsman on the scene is Mr. H.C. Miller. He built a good looking newspaper rack and devised an extension to a desk in our work room for a nominal fee. We hope he will continue to save the day for us. Three exhibits this year were the Pillsbury and also the Perlmutter art shows and the Anne Appleton Clarke pottery display. A Flowering Crab tree was planted last fall, a gift of Toni Snow.

TRUSTEES CONTRIBUTIONS: A Trustee completed the UNH Introduction to the Library Course for N.H. Librarians. Two Work Days were spent clearing out the downstairs bookshelves so there will be more space for new books upstairs. A system of book inventory was established; a window was redesigned for better airflow in the Work Room; and a giant roller made to hold the very heavy plastic used in covering books. Last March a Tea and Reception was organized for Elsie Chase who gave much of her time and effort to our Library.

Respectfully submitted,
Eleanor H. McMuller
Librarian

RINDGE CONSERVATION COMMISSION - 1978

The Rindge Conservation Commission pursued many conservation activities during 1978.

A conservation newsletter was prepared and distributed at the 1978 Town Meeting telling of Commission activities.

The Commission sponsored students Kim Robbins and Jimmy Nagle at Youth Conservation Camp held at Interlocken in Hillsborough Upper Village June 24-28th. The campers and the Commission are grateful to Marge and Ed Stevens of Ed's Auction and to Bob Allen on behalf of the Monadnock Bank for scholarship assistance.

An update on the Rindge wetlands map was completed and turned over to the Planning Board for their use in evaluating requests for building permits and on the Master Plan project.

The Commission sponsored a Conservation Movie Evening open to the Town. Shown was a film on "Land Use in New Hampshire" which pointed outthe need for zoning and current use statutes to protect the rural nature of small towns.

The Rindge Conservation Commission cooperated with the Society for the Protection of NH Forests and the Cooperative Extension Service in conducting a day's activities in Dublin. These activities included a field trip through a managed timber lot, education on timber sale and state regulations to be followed. Especially useful in this time of increasing use of woodstoves and woodlots were demonstrations on proper tree felling techniques and chain saw safety.

The Commission also expressed support of the Planning Board for their subdivision moratorium and attempts at growth control in Rindge, investigated applications for dredge and fill filed through the State and followed the progress of plans for the Tennaco Pipeline.

SELECTMEN'S REPORT

In 1978 our time was devoted to several different areas. First, we concentrated on the New Waste Disposal Area. After site review of other town's disposal areas, the Rindge Waste Disposal at the town garage was prepared. We investigated the use of CETA funds to hire a man as an attendant and were very displeased with this Federal Program. We are indeed fortunate to have Arthur Erdman as our attendant, who has c rtainly done an excellent job to keep this new program running smoothly.

We decided to use our Highway Subsidy Funds and TRA funds on two projects. The first of which was to complete the unpaved section of the Thomas Road. The other project we started was the entrance from Route 119 to the Kimball Road. The Town is indeed fortunate to have such generous people as Sylvia and Stanley Wade who fully cooperated with our land taking for our highway layout. We wish to express our thanks again to Sylvia and Stanley. This will indeed be a much safer approach and will be greatly appreciated in the years to come.

We have done a street lighting survey of the Town. Basically, we plan to light the intersections better and to replace some of the lights with mercury vapor lights which give a better illumination. The mercury vapor lights will be basically in the villages with high housing density.

Through the use of Revenue Sharing Funds we prepared the Waste Disposal site at the town garage and installed a fence; we installed a Tennis Court and a Basketball Court at the Recreation Area; we purchased a Base Station Radio, pocket monitors, a Generator and a Decoder for use of the Fire Department and, supplemented the Oil and Solvay line item account.

The Recreation Area on Wellington Road is progressing in the devlopment of recreational facilities. We hope all citizens will use the playground, picnic tables and barbecue pits, ballfield, tennis court and basketball court. This is your area and we hope you won't abuse it and will cooperate in putting trash in the proper receptacles.

Again, we remind the residents of Rindge, if they are eligible for any exemptions such as Expanded Elderly, Blind, Veteran's etc. that they must file for them prior to April 15,1979. Also residents and non-residents must file Current Use Applications by April 15, 1979. Due to State Law, there will be a penalty assessed if the Inventory of Taxable Property for 1979 is not filed, and, also a penalty if the Inventory is filed after April 15, 1979. So, please, be sure to file all your necessary papers promptly.

For the third year in a row we have ended with a surplus. We used the 1977 surplus to purchase a Brush Chipper and supplement our Highway Department Summer maintenance account and the balance of $ 40,000.00 was placed in a Capital Reserve Fund towards the purchase of a front-end loader for the Highway Department.

We again wish to thank all the town officers, employees, board members, town counsel, and all the committees who have worked hard to make things run smoothly over the past year. Special thanks go to our secretary, Mabel Speckman, who does all of our paperwork and somehow manages to get the Town Report all typed and to the printers on time. There are many dedicated people in Rindge and we are indeed fortunate that so many are willing to serve which adds much to the enjoyment of life in Rindge.

Rescue Calls (Includes 1 Mutual Aid Call)	3	
	133	

Note: 1977 calls totalled 115. 24 of these calls are not included above. Increase of calls in 1978 over 1977 was 18.

WELFARE OF THE COMMUNITY

This year the increase in calls were in medical emergency and accident calls. Building fires showed a sharp decrease and I credit this to the fire prevention and inspection programs. Plans are being made to step up prevention and inspections.

The department is now operating on a monitor tone for rescue calls and this should show a savings in the future. This is credited to the new pocket monitors which were purchased this year. Also purchased were a new base radio; portable generator and a smoke ejector for big items.

The Fire Company purchased three (3) new portable radios which have been donated to the Town.

Again, I urge everyone to install home smoke and fire detectors and to practice fire prevention for your own life safety.

The department wishes to thank everyone for their support of the Fire Department.

Respectfully submitted,
Walter J. Young, Chief

RINDGE PLANNING BOARD 1978

During 1978 the Rindge Planning Board held 12 regular and 1 special meeting, 21 hearings and 8 workshops. It adopted two amendments to the Subdivision Regulations and proposed two amendments to the Zoning Ordinance.

A primary concern has been the creation of a master plan. From the questionnaire distributed in August the Board obtained much information about citizen interests and opinions. Now it is completing a map showing land use and buildings, is making a count of houses by condition, and is analyzing population trends, traffic and transportation, open space and recreation, community facilities, and economic environment. With these studies coordinated, the Board will hold public hearings and prepare for the town's approval a plan to serve as a guideline for future control and development. The Southwestern New Hampshire Regional Planning Commission is cooperating actively with the Board in working on the Master Plan, which is scheduled for completion by December.

The four members of the Board who resigned during 1978 were replaced by four others. At the end of the year, members were: Stephen W. Gray, Chairman, David R. Heikkinen, Vice Chairman, Maurice Gagnon, David E. Olson, Dr. Jacob B. Wolterbeek, and Redvers G. White, representing the Board of Selectmen.

RINDGE BOARD OF ADJUSTMENT 1978

During 1978 55 cases were scheduled; this included 54 new cases and 1 rehearing.

The Board granted 53 requests and 2 cases were withdrawn before actual hearing.

The Board meets the second Tuesday of the month at 7:30 P.M. at the Town Office Building.

Respectfully submitted,
Donald E. Speckman, Clerk

RINDGE HISTORY COMMITTEE
REPORT FOR 1978

In March 1956 the Town vote to"raise and appropriate the sum of $ 500.00 to gather and preserve historical records, data and personal reminiscenses with a view of facilitating the preparation and publication of a history of the Town of Rindge at some future date."

The Committee has continued to gather historical data and has moved its files from the Library to a lower room in the Town Offices in order to facilitate working with them.

The Committee has arranged for the transcription of the oral tapes which were made by more than twenty (20) of our Senior Citizens two years ago.

David Crocker who is coordinating material in preparation for the writing of the Town History has been added as a member of the Committee.

RINDGE RECREATION COMMITTEE
1978 ANNUAL REPORT

1978 was another active and successful year for the Recreation Committee. Our Chairman, Carl Wisnosky, resigned and also two of our committee mebers, so again we were placed in the position of having a new committee. All of the programs except the Summer Recreation Program were planned and directed by the committee members. Also the time and efforts volunteered by some community members was also important to the success of these programs.

Again we had working relationships with Franklin Pierce College and met with Jaffrey to discuss having joint programs. This resulted in again using the F.P.C. facilities for the Summer Recreation swimming program and also for the Red Cross.

As far as specific programs are concerned, the Summer Recreation Program had an enrollment of 50 children and six junior councilors. The program was run by two students from F.P.C. and Catrina Allain from Winchendon. Again bus pickup and dropoff was well received. Other 1978 activities included sliding party with over 60 children,clean up day held jointly with the Boy Scouts, Red Cross Swimming, two Band Concerts, a deep sea fishing trip, Rindge Homecoming Weekend held jointly with the fire department, and a new program-a softball clinic for boys and girls age 7-12. This program was directed by David Tower and was such a huge success that we feel it is time for Rindge to have their own Little League teams and we hope to get this underway for 1979.

Another activity which the committee spent considerable time on was working at the recreation area. Two spring animals were placed at the playground area. The picnic area was cleared of brush and some trees by about twenty volunteers on a wet day, and the charcoal pits have been cemented in and will be ready for use in the spring. Hopefully you have all noticed the Community Bulletin Board on the front of the Village Grocer. We would like to thank the Callahans for allowing us to hang the board there and a special thank you to Peter Anderson for all his time and talents in constructing the board. The board has already been put to good use and was used over the holidays with a Community Christmas Card.

As we close out this year we would like the Town to know that we feel it is time for the Town of Rindge to have a part-time Recreation Director. We feel the Town is too large for a volunteer Recreation Committee and if recreation is to grow along with the Town then this should be done now. The Rindge Woman's Club is in agreement with us in this request. They feel, along with our committee, that it is time the Town took over the entire expense of running these programs.

As a final item, the committee would like to extend its thanks to F.P.C. for the use of its facilities and to the Rindge Woman's Club for their financial support of the Summer Recreation Program.

And, finally, a special thank you to all of you community members who provided encouragement, advice or donation of their time to

help make 1978 a successful year.

REPORT OF THE RINDGE DUMP STUDY COMMITTEE

As members of the Rindge Dump Study Committee we have studied the disposal problem of the Town and have considered alternative methods which might be adopted. We have met with the Southwestern N.H. Regional Planning Commission on two occasions to determine what they and other towns in the County are planning.

It is the recommendation of this Committee that the Town of Rindge retain for the immediate future the present arrangement for the disposal of refuse. This recommendation is based on two factors: 1. Any alternative arrangement would prove more costly to the Town than the present system if Rindge alone owned and operated an alternative system. 2. The report of the Southwestern Planning Commission will undoubtedly set up a regional program and Rindge should plan to conform to these recommendations. These recommendations may become mandatory in the near future as State and Fedral rules are established.

Our study indicates to us that the most desirable program should include a recycling of metals, glass and paper combined with incinerations or a landfill capable of handling non-recyclable material over a long number of years. Economical operation of recycling requires a substantial volume of refuse which can only be generated by combining the refuse of several towns. No one town in this area generates enough refuse to operate individually. It appears that mandatory recycling may in the future be required under State or Fedral mandate. At the present time the regulations at both the State and Federal levels are being studied, revised and restudied. Until definite standards and regulations are firmly established it would be unwise for the Town to embark on a program that might not meet these standards.

We recommend that continuing contact be maintained with the Southwestern N.H. Planning Commission as their study progresses. As it appears that a regional program will probably be established, Rindge should be aware what is under consideration and how it will affect the Town.

Respectfully submitted,
Francis A. Gray, Chairman
Lawrence H. Walsh
